Hi Katie,

Unfortunately, we have run into an issue with the bid and the ability to service the following school districts.

Batesville Community School Corp
Jac-Cen-Del
Saint Louis School-Batesville
Sunman-Dearborn Community Schools

Could you please let us know if you have some time available Thursday or Friday that we could discuss this and I will set up a conference call.

Thank you,

Kyle Marthen

Kyle-

HOLY SMOKES!!!!!!!!!!!!!!!!!!!!!!

I would think that would warrant a phone call.

Needless to say I am very disappointed.

Aunt Millies has been extremely difficult to work with since we awarded the bid.

Schools in Indiana start in the next 2 weeks.

I can't let you cherry pick off of bid 3 so we will move on to another bread company.
