

Klosterman Baking Company Introduces Online Ordering

Online Ordering is available to Klosterman Baking Company fresh delivery customers. The application was designed for those customers who place their order with the route sales representative, fax or phone in orders for each delivery.

Online Ordering is available 24 hours a day, 7 days a week. You can review orders placed at any time. It's easy to use.

While recently purchased products are listed for you, all Klosterman products are available for order.

Those who placed orders over the fax, phone or with a route sales representative are amazed by how much easier online ordering works for them.

Klosterman lead times and return policies apply to web orders.
